Thanksgiving Basket Drive for New Britain High School Families

God is leading us to reach out to neighbors this Thanksgiving.

Bethany Covenant Church has been a part of an amazing outreach to the New Britain High School (NBHS) families supplying Thanksgiving baskets to those in need.

For Thanksgiving 2026, please join with others in the Bethany family in adopting and blessing 30 (or more) New Britain families as we continue our NBHS partnership for a ninth year.

This will be a wonderful opportunity to expand our partnership with NBHS, and to help families "discover and experience the transforming love of God."

Remember, Jesus taught us, "For I was hungry, and you gave me something to eat…. I was a stranger and you invited me in…Whatever you did for one of least of these brothers of mine, you did for me." Matthew 25, beginning verse 35.

Very gratefully yours,

Sandra Pelletier, Event Coordinator/Facilitator
Sandy Dichner, Liaison for New Britain High School
