Spring Poem:

"What the Robin Told"

The wind
told the grasses,
And the grasses
told the trees.
The trees
told the bushes,
And the bushes
told the bees.
The bees
told the robin,
And the robin
sang out clear:
Wake up!
Wake up!
Spring is here!

Spring Song:

"Spring is Here"

(Tune: "The Farmer in the Dell")

The days of Spring are here,
Warm, sunny days are near,
Flowers and bees, and birds in
trees.
The days of spring are here.

Happy Spring!

Can you believe it's mid- March?! Soon your students will be celebrating the end of the 2023/2024 school year! In the next few months your students will be focusing on preparing for the next step in their education journey, whether that be the next Pre K class or Kindergarten!

Clothing requests: In the next coming days, teachers will be going through and sending home clothing that may not be suitable for spring weather. If you receive a pair of clothes in your child's mailbox, please replace it with spring attire.

General health info: Flu season is on its way out, but sickness is still upon us. Please stress handwashing and covering our nose and mouths for sneezing and coughing to your littles!

Program News: Fundraisers and the generosity of our families is a wonderful way to update and upgrade our school to maintain a bright and safe school environment for our students! We appreciate all your efforts through fundraisers, scholastics, and donations! If you are interested in donating items to our school we are always in need of tissues, glue, paper towel rolls. What We are Exploring:

Nature, birds, farm animals, insects and more! Your students are busy in their classrooms exploring and learning through play activities and experiences that our teachers create! Early 3s has a play pretend farmers market in their classroom where students can practice different responsibilities of a market.
