Fall Poem:

"Fall Leaves"

Down, down, yellow and brown,
Fall the leaves over the ground.
Rake them up in a pile so high,
Until they reach up to the sky.

-Adapted Traditional

Fall Song:

"Dancing Leaves"

(Tune: "Twinkle, Twinkle Little Star")

Let's join hands and circle round
As we watch the leaves fall down.
See them twirling, here and there.
See them dancing, everywhere.
Move your hands like falling leaves,
Watch them twirling, in the breeze.

- Jean Warren

Extra! Extra! Read All About It!

We are off to a phenomenal start of the school year! The students are settling into routines nicely and beginning to grow friendships within the classrooms! The teachers have been working hard to plan and create unique and fun experiences with education through play!

Clothing: It is chilly in the mornings and our classes are still going out to the playground! Please send in a light jacket or sweatshirt every day.

General health info: It is just about cold season and flu season. Please remember the Flu Vaccine is mandatory! If your child is out sick, please let us know! We wish you a healthy fall & winter!

Program News: We will be practicing fire drills and lock down drills once a month. We ensure these practices are developmentally appropriate and taken seriously by the students and staff. I sent home an email late September about of Bees to the Beehive curriculum for lock down drills. If you have any questions please let me know!

What We are Exploring:

In the next few weeks your students will be exploring pumpkins, all things Halloween, and other fall fun! We will be focusing on building relationships and adjusting to routines in our younger classes and focusing on investigation skills and problem solving in our older classes.
