Extra! Extra!

Welcome to this month's preschool newsletter! Our classrooms have been buzzing with curiosity, creativity, and joyful learning. Preschoolers learn best through hands-on experiences, and this month has been full of opportunities for meaningful play, social growth, and early academic skills. Here's a peek into what we've been working on:

- Pre K 5: Airport traveling to Christmas in other Countries
- Pre K 4: Kitchen baking cookies
- Pre K 3: Christmas Tree Farm
- Early 3s: Christmas crafts

Activity Spotlight:

Dramatic play isn't just fun—it's a powerful learning tool!

When children pretend, they're:

- building language skills 🗣️
- practicing problem-solving 🧩
- exploring emotions 🧡
- and learning how to work together 🤝

Whether they're running a pretend café ☕, taking care of "patients" 🩺, or going on imaginary adventures 🚀, dramatic play helps them make sense of the world around them.
